Partnering with Employers to Celebree their World!

Corporate Child Care Discount Program

Our child care tuition discount program is an ideal option for organizations dedicated to improving employee work life balance. The program is a great way to provide access to quality child care & preschool at our convenient Dallas Arts District location.

How the Program Works

Once the program is established with an organization, the employee simply presents their identification and this flyer at the Celebree School of Dallas Arts District to receive the 10% discount. The discount becomes effective the first week of enrollment.

If the Celebree Corporate Child Care Program sounds like a good fit, contact us for more details — we would love to talk to your human resources representative.

Qualifying for the Program

- Organization agrees to participate in the program.
- Organization agrees to display and distribute Celebree discount material to their employees no less than four times per year.
- Following the first year of participation, organizations must have three children in the program for continued eligibility.

Program Advantages

- 10% off tuition for each child enrolled.
- Hours of operation catering to the working parent — 7:00 a.m. to 6:00 p.m.
- Educational programs beginning at infancy, focused on preparing children for kindergarten and future educational success.
- Child-lead, play-based curriculum focused on helping children meet their developmental milestones.
- State of the art closed circuit classroom monitoring systems and secure password protected electronic security systems.
- Individualized lesson plans for infant, toddlers & preschoolers.
- Thematic, exciting summer camp program.

** May not be combined with other discount programs*
